

AlerTox[®] Sticks

Rapid tests for allergen detection in food, drinks, and surfaces for internal quality control.

AlerTox[®] Sticks advantages:

- Quick and Reliable
- Results in 10 minutes
- No Cross-Reactivity
- High Sensitivity

AlerTox[®] Sticks are a practical tool for the control of allergen content in raw materials, final products, and working surfaces.

Industrial application

- Semi-quantification of allergens in food
- Food quality control
- Trace allergen contamination in food, liquid and surfaces
- Implementation and fulfillment of HACCP, ISO 22000, BRC, and IFS compliance
